

A decorative collage on a light-colored, dotted background. The central focus is a white rectangular piece of paper with the year "2019" printed in a large, bold, black sans-serif font. Surrounding this central text are several cutouts of pig faces and flowers. The pig faces are brown with pink snouts, white tusks, and black stripes on their heads. The flowers are in shades of pink and red, with yellow centers and green leaves. The overall composition is festive and celebratory.

2019
